# TAKE ADVANTAGE OF OLYMPIC JOBS

JOB: Thomas Smithers.

ALMOST 1,000 people have taken up Olympic related jobs in Barking and Dagenham.

The London Organising Committee of the Olympic and Paralympic Games (LOCOG) said hundreds of jobs are still available in security, hospitality, catering, retail and ticketing.

LOCOG said there are other, more specialist jobs too - in transport, project management, facilities management and marketing.

Residents are being encouraged to apply for the positions on offer in the area because Barking and Dagenham is a host borough.

Thomas Smithers, a local resident, has taken a year out from university and left two part-time jobs to take up an opportunity with LOCOG as venue technology manager.

He said: "I applied for this

role because I felt that being involved in the Olympic and Paralympic Games would be an incredible experience, and I am really enjoying it.

"It is very fast paced and I learn something new every day, I get to work alongside some of the best people in the technology industry and see things that I would never get to see in any other job.

"I would definitely encourage people to get involved in the Olympics and Paralympics in any way that they can. You meet so many interesting people, make endless contacts and get to witness and be a part of something that will most likely not be in London again in any of our lifetimes."

BLING SING: 'Mommie Dearest' Tom, Lulu and Sam.

Picture by Roy Tillott

## Dancers form new pop band

THREE former dancers for smash hit group JLS, are no longer just dancing, but singing as well.

Sam Morris, Lulu Smith and Tom Davies, all 16, have regularly appeared as backing dancers on TV show, The X Factor.

But the boys felt it was time to do more, and with the help of a distinctive glittery look, have formed a new boy band called Mommie Dearest.

They said their look was inspired by the likes of The Spice Girls, Lady Gaga, Grace Jones, Boy George and Nicky Minaj.

Sam, from Dagenham, has been in several TV commercials including LG Phones, Trainline, Homeserve, Ministry of Sound and Cadbury.

Lulu, 16, left home in Great Yarmouth and moved to Essex, where he furthered his training at the Performers College, in Stanford-Le-Hope.

He played Heathcliff for the Northern Ballet company's version of Wuthering Heights.

Tom, from Surrey, is related to actress Angela Lansbury.

He played the principle role of the young prince in Matthew Bourne's famous all male version, of the ballet Swan Lake.

The teenagers said the group's name came from the film, Mommie Dearest, based on Joan Crawford and the relationship between her and her daughter Christina Crawford.

Sam said: "The movie is camp, dark-humoured yet pretty deep, and I think we liked the connection that could have with us. There's more to us than meets the eye."

The boys are hoping for success with their new single called Cray Cray.

### Young achiever to receive award

ONE of Barking's stand-out young people will be recognised at the young achievers awards event at the House of Commons by permission of Mr Speaker, The Rt Hon John Bercow MP on Monday March 19.

Barking's Georgina Curtis, 18, is a winner in the environment category of the young achievers awards, which recognise youngsters who have made outstanding contributions in volunteering.

Georgina volunteered as part of Catch22 charity's programme community space challenge.

### CCTV team recognised

BARKING and Dagenham's police commander Gary Buttercase made a special award to the teams who helped with public safety throughout the summer riots.

The award was made during this year's commendation ceremony on Friday, which focused on the bravery and professionalism of those who helped with public during the civil unrest of August 2011.

Barking and Dagenham Council's CCTV team were recognised for their 'professionalism and dedication to duty' helping police during the mass disorder that happened on the streets of Barking.

### Stop metal thieves

C2C RAIL boss Julian Drury has called for tougher sentences for metal thieves.

Mr Drury said it was time to expel the image of metal theft as a 'victimless crime' and start issuing sentences which 'reflect the damage caused to people's lives'.

He made the comments after the Government announced that it had outlawed cash payments for metal.

Mr Drury said: "We are absolutely behind this move. We support it 100 per cent."

# Jailed for assault

A TEENAGER who assaulted a student and smashed his jaw-bone during last summer's disorder has been jailed for seven years.

Beau Isagba, 18, of Icknield Drive, Ilford, was found guilty on Thursday, February 16, at Wood Green Crown Court of grievous bodily harm on Malaysian student Mohammed Asyraf Raziq Rossli.

He was also found guilty of robbing Mr Rossli of his bicycle, two counts of burglary on August 8, 2011 of SN Food and Wine and Betfred Totesport, both on Ilford Lane, Ilford, and two counts of violent disorder (in Barking and in Ilford).

He received a sentence last Friday of 54 months for the grievous bodily harm and robbery to run concurrently, and 30 months for the two counts of burglary and two counts of violent disorder to run concurrently, totalling seven years.

Investigating officer, Detective Sergeant Brett Hagen, said: "Isagba punched Mr Rossli's jaw with such force that it broke in two places. He then had the audacity to steal his bicycle and ride off to commit further riot-related offences. This horrific and well-publicised incident unfortunately epitomised everything evil about the riots."

Det Sgt Hagen praised his officers, Detective Constables Andy Revell and Nigel Griffiths, for their meticulous attention to detail when preparing the case file and relevant CCTV evidence, that secured the conviction.

More than 2,500 people have been charged in connection with the summer riots so far.

JAILED: Beau Isagba.

DANGEROUS: The pump action shotgun which would have been used across east London.

## Man jailed over gun and drugs

A MAN from East Ham has been jailed for 10 years after being found with a loaded pump action shotgun and 49 wraps of heroin.

Jeffrey Anamo, 21, of Hameway, was sentenced at Inner London Crown Court last Tuesday after pleading guilty to charges of possession of a firearm and ammunition with intent to endanger life, possession with intent supply drugs (heroin) and handling stolen goods, namely body armour.

The Met's Central Task Force undertook a proactive operation targeting gang members in east London in early August last year.

Anamo was stopped in Woolwich Manor Way, East Ham, and was arrested after being found in possession of a loaded shotgun; seven extra cartridges and a Hertfordshire Police body armour.

Later searches of his home address also uncovered 49 wraps of heroin.

Officers believe that the

shotgun would have been made available and used by Anamo and other gang members in east London.

Detective Inspector Colin Stephenson said: "This gun was destined to be used by criminal gangs on the streets of London. The Met is committed to reducing violence carried out by gangs within the Metropolis. I have no doubt by seizing this loaded firearm, our officers have prevented murders or serious injuries to others."

The Window Man, who has more than 30 years experience in the industry, goes out of his way to cut overheads so he can pass savings on to his customers.

Shawn, the owner of the business, said: "I have no overdraft to feed and I pay up front for all my materials. What's more, I have very low overheads and I'm not greedy."

"My partner and I share more than 30 years experience at every level in the industry and we guarantee excellence of service and quality, at rock bottom prices."

The service engineer and expert installer specialises in windows, doors, double glazing and conservatories. "We always make sure the job in hand is to the standards we would expect in our own home."

## Elm Park icon back on track

**ON TRACK:** Ingrid Brandon with the Elm Park floral train. Picture by Martin Dalton

**By Peter Henn**

ALL aboard! - a popular floral feature is getting ready to be reopened.

The Floral Train, outside Elm Park Underground Station, will be officially reopened tomorrow (Thursday).

The feature, which includes plants in the shape of the train and colours of local schools, was taken away for repairs so the land it sits on could be flattened - but now it is back.

Tina Death, from the Elm Park Regeneration Group, said: "We're really pleased it's back - it's a great symbol of Elm Park."

Mrs Death, who runs Elm Park Florists, Station Parade, also issued a

call for people to come up with ideas for things that could represent the suburb.

She said: "We've got some merchandise people can buy - we've got car aerial toppers, we've got post-cards, we've got tea towels with a recipe for rhubarb, which Elm Park was famous for - and we've got our stamps, which are always very popular."

"Now, we want to have more things, so we would love to hear any ideas for new bits of merchandise - you can't get Romford things, you can't get Hornchurch things, but you can get Elm Park items, and that's pretty much unique in the borough."

## Hotspot for alcohol-fuel crime

**By Peter Henn**

HAVERING is one of the worst hotspots for alcohol-fuelled crime in Greater London.

The Metropolitan Police said that, in the last five years, nearly 80 per cent of Grievous Bodily Harm cases in Romford Town Centre took place between the hours of 10pm and 4am, while nearly 60 per cent of Actual Bodily Harm cases take place over the same time.

Havering Police's licensing officer, David Fern, said the problems were not down to one premises in particular, but they all had an effect.

He said: "They all impact on the town centre and the current situation of the impact doesn't promote the licensing objectives of prevention of crime and disorder and public nuisance."

Under section 27 of the Violent Crime and Reduction Act, police have the power to make someone leave an area if they believe their presence would cause, or contribute to, alcohol related crime.

In Havering, 341 Section 27 notices have been issued in the last year alone.

The police also have the power to remove alcohol if it is being drunk in an area with a high number of alcohol-related crimes and, in the last year, Havering Police has confiscated alcohol from 120 people in Romford town centre alone.

In December 2010 Havering Council introduced saturation zones in Romford and Hornchurch town centres, which aim to limit the number of new premises which can serve alcohol.

The policy means that the council's licensing sub-committees can turn down license proposals in those areas on the grounds that there are enough places which sell drink in the area.

## CONDITIONS OF ACCEPTANCE FOR ALL ADVERTISEMENTS

- Orders are accepted by the Publishers subject to the Standard Conditions agreed between the Newspaper Society and the Institute of Practitioners in Advertising. Save that:
1. Advertisements are accepted on the conditions that (a) descriptions relating to goods are accurate and in no way contravene the provisions of the Trade Descriptions Act 1968, and the Fair Trading Act 1973, and (b) the copy complies with the British Code of Advertising Practice. Advertisements offering credit or hire facilities must conform to the Consumer Credit (Advertisements) Regulations 1980.
  2. 'Classified' Advertisers offering goods or service of a business, commercial or trade nature will, at the discretion of the Publishers, be deemed 'Trade Advertisers', and as such, must include their names in advertisements. A telephone number is an optional addition to these requirements and not an alternative.
  3. To comply with the Business Advertisements (Disclosure) Order 1977, Trade Advertisers must make it clear that they are selling goods in the course of business either by content, format, size or place of the advertisement or by including words such as 'trade', 'dealer', 'agent', 'wholesaler', '(T)' etc. in the advertisement.
  4. The Publishers accept no liability whatsoever for any loss or damage however caused arising out of:
    - (a) Any error, inaccuracy or omission in the printing or publishing of any advertisement;
    - (b) Any failure to publish an advertisement on the day / date or day / dates specified by the advertiser; or
    - (c) Any delay in forwarding or omission to forward replies to box numbers to the Advertiser.
  5. The Publishers will endeavour to publish advertisements on the day / date or day / dates specified by the Advertiser but insertion days / dates cannot be guaranteed.
  6. Where shrinkage of advertisement occurs for whatever reasons the advertisement will be charged to the nearest full centimetre. This will NOT apply to the full-page advertisements, which remain full pages even after shrinkage.
  7. The Publishers reserve the right to reject an advertisement or to vary it in any way they deem fit, at any time before publication, whether or not the advertisement has already been accepted for publication.
  8. Whilst every effort is made to minimise errors in advertisements, mistakes do sometimes occur. Advertisers or their agents should therefore check their advertisements and inform us of any errors immediately. Responsibility cannot be accepted for more than one incorrect insertion. Typographical or minor changes, which do not affect the value of the advertisement, do not qualify for republication or allowances.
  9. All gross advertising rates (except classified lineage and semi-display) are subject to and include a 0.1% Advertising Standards Board of Finance surcharge, payable by the advertisers to help finance the self-regulatory control system administered by the Advertising Standards Authority.
  10. All rates quoted are subject to VAT at the rate currently in force at the time the advertisement appears.
  11. Should the rate for advertisements be altered the price for remaining insertions shall be revised accordingly or the publishers shall have the right to cancel the unexpired portion of the order.
  12. The placing of an advertisement order will be deemed an acceptance of these conditions.
  13. Account facilities are granted at the discretion of the Company.
  14. All accounts must be settled within the terms agreed by the Company and the Customer.
    - (i) Should an advertiser be in breach of the agreed terms, the publisher shall be entitled to levy a 10% surcharge on the value of the whole debt in respect of accounts with terms of less than 30 days, and any discounts or commissions that had been allowed will be reclaimed.
    - (ii) Regular monthly accounts that are in breach of the agreed terms will pay an interest rate of 6% above the current bank of England base rate for each month that the account is overdue and discounts or commissions that had been allowed will be reclaimed. Should Legal action be required the interest will be charged in accordance with the County Court Act 1984.
  15. Where an advertiser instructs / appoints an advertising agent to act on their behalf, the advertiser will remain jointly and severally liable for payment in respect for an advertisement(s) should the appointed agent fail to pay. For the avoidance of doubt, the agent acts for the advertiser and not for the publisher with the agent being responsible for notifying the advertiser of this liability.
  16. All queries must be notified, preferably in writing to the accounts department of the publisher within 7 days of the invoice date.
  17. All digital services are maintained in partnership with the publishers' hosting service providers. Every effort is made to ensure the continuity of these services, but some occasional technical downtime beyond the publishers control may occur. The publisher and its associated companies shall be under no liability if the production and distribution of web services is delayed or prevented by any cause beyond the control of the publisher.
  18. The Publisher may provide voucher copies for published advertisements in electronic form only subject to certain criteria. Further information is available on request.
  19. The copyright of advertisements produced wholly or partially by the Publishers belong to the Publishers. Advertisers may not reproduce such advertisements without the Publishers' consent.

### Box Numbers

Boxes are open for the receipt of bona fide answers and are not available for distribution of trade canvassing matter. Original testimonials, goods, cash, stamp requests or payments of any kind must not be enclosed. A box Number and postal address are charged as part of the advertisement, i.e. Box No., centre address. There is no charge for forwarding replies.

Box numbers alone are not available for use in 'Trade' advertisements, other than Employment and Business Opportunities.

### Holiday & Travel Category

## Busy weekend for Crossman ends with championship lead

### Motorsport

A MOTORCYCLE racer from Romford had a busy weekend at Hottrax Motorsport Racing Club's first round at Brands Hatch, taking part in seven races and coming away with the championship lead.

Fireman Wayne Crossman entered races in the Classic Supercup Series on a MV Augusta F4 750 and in the MotoGrande 600 championship on a

Suzuki GSXR 600.

Wayne, who is sponsored by MJW Digital Art and Predator IT, races for the Splitlath Redmond team, joint owned by former Olympic runner, Derek Redmond, which focuses on endurance racing but also branches out into sprint events.

With Wayne taking part in the two championships, it meant he raced in seven races over 15 laps, with several following on from the other.

But despite the punishing schedule, Wayne managed to finish in all races he competed in.

In the Supercup class, Wayne achieved three second places and a fourth place, after starting his first race at the back of the grid, and his consistency meant he left Brands with the championship lead.

The MotoGrande races, in a field of 30 riders, saw Wayne achieve three top ten finishes and lower his times over the weekend by more than a second.

He said: "I was absolutely exhausted when I finished but I'm delighted with how it went."

"Hottrax's sprint races are longer than others so by the end of the weekend I was starting to make little mistakes. But I was so happy to complete all the races, finish with the championship lead in the Supercup, finish with three top ten finishes in the 600s and get into the

51 second bracket."

Wayne will still focus on both championships but thinks he may have to be selective if he is still in with a shout for the Supercup title.

"Doing back-to-back races was difficult and it may come to a point where I have to step back and focus myself on the title."

"My partner is having a

baby in ten days time so maybe I will have to cut back!

"It was great to win three trophies over the weekend, so I was able to share them with my sponsors, mechanics IP Performance and my family."

## Hammers' winless streak at home continues

### West Ham United

WEST Ham United made it four games without a home win after being held to a 1-1 draw by bottom side Doncaster Rovers in the Championship on Saturday.

It looked good for the Irons when Kevin Nolan handed them a ninth minute lead, but they ended the afternoon further behind leaders Southampton following James Coppinger's equaliser late on.

Boss Sam Allardyce said: "We are not going to panic but you would always like to win your home games."

"The Southampton draw felt like a win but the three draws have been disappointing. But we'll just keep going and keep fighting. We need to just keep our heads but it's not the end of the world."

Irons thought they had made the perfect start in the first minute when Ricardo Vaz Te headed in, but he was adjudged to have fouled Pascal

Chimbonda and so the goal was disallowed.

Carlton Cole hit the crossbar with a strike but the Hammers were rewarded for their fast start when Nolan toe-poked home.

But relegation battlers Doncaster battled back and equalised on 73 minutes when Simon Gillett guided the ball to Coppinger to smash home.

The visitors should have went away with three points but Hammers keeper Robert Green saved from Senegalese international, El-Hadji Diouf who failed to get a clear connection on the ball.

## Clarets have their wings clipped while Fleet earn late point

### Non League Football

PLAY-OFF hopefuls Chelmsford City are nervously looking over their shoulder in Blue Square South after losing 2-1 at home to Welling United on Saturday.

The visitors, who sit in third place, took the lead through Jamie Day after five minutes.

The Clarets levelled thanks to Dave Rainford's penalty eight minutes later but the Wings took the three points through Luis Cumber in the 62nd minute.

City are in the final play-off spot in fifth, but now have a seven point gap over Dover Athletic in sixth.

At the other end of the table, Thurrock earned a point at Weston-super-Mare in a 2-2 draw.

The hosts took a fourth minute lead through Sahr Kabba but it took until the 78th minute for the next goal, Lee Boylan equalising for Fleet.

It looked to be another one of those afternoons for Thurrock when Jamie Price gave the Seagulls the lead again two minutes later, but Sam Cutler stole a point for Fleet in stoppage time.

Ryman League Premier leaders Billericay Town dropped points, but had to come back from behind twice to draw 2-2 at home to bottom club Horsham.

Daniel Morris opened the scoring on the half hour, cancelled out by Courtney White on the stroke of half-time.

Tony Nwachukwu restored Horsham's lead on 57 minutes but Jay May headed in the equaliser seven minutes later.

Second place AFC Hornchurch failed to capitalise after suffering their second consecutive defeat, losing 2-0 at Hendon. Elliott Charles and Isaiah Rankin scored in added time in each half.

Canvey Island remain in the play-off mix but had to settle for a 1-1 draw at Hastings United.

Bradley Woods-Garness put Gulls ahead six minutes before half-time but Zac Attwood equalised on 72 minutes.

Concord Rangers' late surge to the play-offs took a dent after being held to a 1-1 draw at home by Wingate & Finchley. Tony Stokes put them ahead with a penalty two minutes before the interval but Ola Williams squared matters in the 74th minute.

East Thurrock United suffered a disappointing 3-1 defeat at relegation battlers Harrow Borough.

Despite Rocks' Kyle Ruel cancelling out Danny Leech's opener, the Borough player went on to grab his second of the match, with the third credited as an own goal by Rocks keeper Richard Wray.

Aveley - under new manager Justin Gardener - showed more improvement, drawing 1-1 at play-off chasers Cray Wanderers.

Leigh Bremner headed Crays ahead three minutes after the break but Danny Francis earned Millers a point with six minutes to go.

Tilbury boosted their play-off hopes in Ryman League Division One North with a 5-2 victory at Waltham Forest.

The win moved the Dockers up to fourth thanks to goals from Alex Read (2), Tom Webb, Gary Henty and Joe Collins.

Forest did manage to level twice through Addian Clifton and Anthony Iyaki but ran out of steam.

Grays Athletic moved up to fifth place thanks to a late Loui Hazlewood's own goal after relinquishing a 2-0 lead.

Joao Carlos helped put Grays 2-0 before half-time with a double, but Rob Carter and Danny Gabriel made it 2-2 on the hour for the relegation battlers before suffering the late heart-break.

Brentwood Town dropped to ninth place after losing 1-0 at AFC Sudbury through Jamie Griffiths' 40th minute strike.

Redbridge are above them in eighth but were held to a 1-1 draw at home by Thamesmead Town. Shane Wylie put the Motormen ahead with James Donovan equalising before the hour mark.

Great Wakering Rovers remain in the relegation zone after rescuing a point at Potters Bar Town. Joe O'Brien gave the hosts a 57th minute lead but Wakering's Jack Carlile converted a penalty in the fourth minute of stoppage time.

Adam Flanagan headed Maldon & Tiptree into the lead at Waltham Abbey, but Tim Shaw replied five minutes after the restart to make it 1-1.

An eighth-minute goal by Hussein Isa gave Romford a 1-0 win at Heybridge Swifts.

### Rugby Union

## Victory for Barking while Southend lose

IT WAS joy for Barking as they beat Jersey 22-20 to National League One on Saturday to keep their relegation fight alive.

The Eastenders are now 22 points from safety but have to win all their remaining games to stand any chance of staying up.

However, they ended Jersey's unbeaten run of 18 games and lift the gloom around the Goresbrook.

Andrew Henderson scored the crucial try late on for Barking with Chris Ashwin kicking the conversion.

Southend were lacklustre in their 32-7 defeat at Henley in National Two South.

They were already 25-0 behind when Danny Cleare went over the line, converted by Bradley Burr, but that was as good as it was going to get.

Westcliff suffered a 41-17 defeat at Tonbridge Juddians in National Three London & South East.

Tries came from Ben McKeith and two from Rob Smith, with McKeith kicking a conversion.

Thurrock look comfortable in London One North thanks to their 19-27 win at third place Letchworth Garden City.

Eton Manor are in fifth but suffered a surprise 29-55 defeat to North Walsham.

Rochford Hundred remain in trouble near the bottom after losing 37-18 at Chingford who themselves breathed a little easier.

It was not a good afternoon for Brentwood losing 11-71 to Bury St Edmunds.

Romford & Gidea Park won 21-59 at Lowestoft & Yarmouth to maintain their lead at the top of London Two North East.

Basildon keep up the chase in second but were pushed all the way by bottom side Beccles, winning 3-5.

Canvey Island dropped to second bottom after going down 10-32 to Woodford, while Chelmsford lost 52-27 at Enfield Ignatians.

In London Three North East, Campion remain bottom after losing 36-5 at Sudbury, while Upminster edged out Harlow 18-15.

Wanstead lost 37-6 at Norwich while South Woodham Ferrers won an exciting encounter at Wymondham by 37-39.

## Raiders move closer to crown

ROMFORD Raiders moved to within three wins of the English National League South One title following a routine 13-2 win over the visiting Slough Jets at Rom Valley Way on Sunday.

Juraj Huska and Billy Phillips, the latter returning from a four-game suspension, both tallied hat-tricks as Raiders piled up the goals against short-benched Jets.

Slough goaltender Alec Field starred in a tremendous 67-save performance as Raiders outshot their visitors 80-18.

Despite icing only 10 skaters, Jets continued to work hard and were good value for their goals, Stuart Mogg and Edward Temple the scorers.

Andrius Kaminskas began a two-game ban for Raiders due to accumulation of penalty points this season.

Raiders continue their title chase this Sunday (5.15pm face-off) as Jeremy Cornish's Isle of Wight side visit Rom Valley Way for their final regular season meeting this year.

Last season's league champions may be out of the title picture, but they could still have a big say in the destination of this year's silverware.
